FOOD

2. We recommend bringing your pet's own food so there isn't a change in his/her diet. If you forget to bring your pet's food or choose to use our premium food while your pet stays with us, there will be a \$2/day charge.
3. If your dog is only in for Daycare and you want him to be fed while there, please bring dog's food in a zip lock bag with each bag containing the amount to be fed per meal. Label the bag clearly with dog's first/last name and time to be fed.
4. Please do not send food or water bowls with your dog. We supply all the bowls your pet will need during his/her stay.

MEDICATION

1. Prescription medications must be in the original medication bottle.
2. Do not mix prescription medications or supplements in with pet's food.
3. We charge a \$1/day fee for administering medication for pets requiring medications.

BEDDING AND TOYS

1. Kuranda Beds will be included in ALL of our dog suites & villas. Fleece covers are included with all dog suites. If your dog is staying in a villa, we can provide a fleece cover for \$2/day. All of our feline guests will be provided with fleece cozies at no extra cost.
2. Please limit your toys to 1 or 2 per pet. The toys will stay in your pet's room. For the safety of all of our boarders, we cannot allow dogs to take personal toys into the play areas.
