

# Boarding Checklist & Requirements for Cats

## VACCINATION AND HEALTH REQUIREMENTS

We require that your cat(s) be up to date on Rabies and Feline Distemper (FVRCP)

## FOOD

All food must be in an airtight container, a Ziploc bag or a Tupperware-type container. If it is not, there is a fee to use one of our containers (\$1.00/night). We will provide bowls for your pet during their stay. If your pet has detailed feeding instructions, other than for a medical reason, there will be a \$1.00/night charge. This is for any pet requiring mixing more than 2 items (ex: wet food & dry food) for each of their meals. You may bring any treats that you would like.

Please feed your pet breakfast/dinner if you are dropping off after 8:30am in the morning or after 5:00pm in the evening.

## MEDICATION

All medications **must** be in the original prescription bottle with the correct dosage instructions. A supplement or over the counter medication must be in the original bottle as well. **Medications not in the original bottle with the correct dosage cannot and will not be accepted. This is a state regulation.**

## BEDDING AND TOYS

You may bring up to two (2) toys, and one (1) blanket, preferably something that is easily washable in our washing machine. We will provide a bed.

## SUMMER FLEA CHECKS

All pets will be subject to a flea check when they come in the building, especially in the summer. If your pet is found to have fleas, we will administer a Capstar (**at owner's expense of \$10.00**) to your pet and give them a bath (**at owner's expense**) if needed.

## SPECIAL HANDLING

If your pet is found to need special handling instructions, such as a people aggressive or feral cat, there will be a **\$5.00/night surcharge** to the boarding rate. If your pet develops an issue during his/her boarding stay, you will be notified immediately so we may handle your pet accordingly.

We will also provide litter boxes and litter for your pet during their stay at no additional charge.

If you have any questions, please feel free to email us at [info@suitepaws.com](mailto:info@suitepaws.com) or give us a call at 919.231.1112.
